

Professional Water Treatment Systems Sold and Installed by Professional Dealers

A Valumax System Saves You Money and Time... Everyday!

In the Kitchen

- Healthier, better-tasting drinking water
- Improves the taste of juice, coffee, soup and ice
- Eliminates need for expensive bottled water
- Fresher flavors when boiling and steaming
- Cleaner dishes and china

Laundry and Cleaning

- Clothes and linens are cleaner, softer and last longer
- Requires 50% less laundry detergent, soap, and dishwashing detergent, saving you money
- Dishes, silverware and glasses are spot-free and "shiny-clean"
- Virtually eliminates spots, streaks and scum on fixtures, tubs and showers

In the Bathroom

- Leaves skin feeling smoother after showering, shaving and washing
- Makes hair softer and more manageable
- Reduces soap scum and residue on showers, tubs and sinks

Plumbing and Appliances

- Increases water heater efficiency by almost 30%, reducing fuel costs
- Improves water flow and pressure by eliminating build-up in pipes
- Adds life to dishwashers and washing machines
- Protects everything water touches in your home

VM Series

- Smart Meter (Demand) Control with 7-day variable reserve
- Full 3/4-Inch Flow throughout system
- Easy One-Button Programming – so simple that you can set it, even if you can't set your microwave
- 12-Volt Electrical System uses about \$2.00 electricity a year
- Just One Moving Part in the water stream assures unparalleled reliability
- NOVRAM Memory holds all critical program information, except time of day, during power outages
- High-Capacity Premium Ion-Exchange Resin uses a minimum of salt to deliver a maximum of softness
- 10-Year Limited Warranty – 10 years on tank; 5 years on valve and electronics*

VM-HF Series

All the features of the VM Series plus...

- 28-Day Variable Reserve to deliver even greater efficiency
- Full 1-Inch Flow throughout system
- High Flow Rates of up to 25 gpm to deliver maximum pressure with a minimum of pressure drop
- Soft Water Brine Tank Refill to virtually eliminate service problems
- Fully Programmable Control allows the system to be tailored to the exact water chemistry
- Battery Back-Up and NOVRAM Memory means you never have to reset the system – even after power outages

*Written copy of warranty available upon request.

Trust Your Professional Dealer To Solve Even Your Toughest Water Problems

Optional thermal resin tank jacket prevents sweating and provides an attractive appliance-type finish which lasts a lifetime.

Conventional iron filter using manganese greensand and potassium permanganate as an oxidizer to remove iron and small amounts of sulfur.

Backwashing filters automatically deliver clean, clear water by removing iron, sulfur, chlorine, tastes, odors, tannins, nitrates, arsenic and many other contaminants.

GOLDLINE 50

Our Reverse Osmosis drinking water systems give you unbelievable quality water at an affordable price.

5-Stage, 50 Gallon Per Day Systems for the Ultimate in Performance

- Cleaner and Clearer Ice Cubes
- Reduces Chlorine and Pesticides
- Reduces Chemicals and Tastes
- Delicious Coffee and Beverages
- For Steam Irons and Batteries
- For Humidifiers and Aquariums

Bottled-Water Quality for Taste, Health and Peace-of-Mind
